Justice of the Union

Prof. Hélène Gaudin

- General presentation of the judicial system of the European Union
- Reflections on Article 19 TEU
- Reflections on the action for annulment of Article 263 TFEU, particularly in relation to the right to effective judicial protection.
- Research on the reference for a preliminary ruling before the CJEU (Article 267 TFEU), particularly in relation to the national constitutional law and national constitutional judge.
- Issues concerning the principle of res judicata: the national court precedent before the CJEU and the court precedent by the CJEU.
